SPEAKERS

MAURICE & SANDRA SMITH

Executive President's
Team Members

Before Herbalife, Maurice and Sandra Smith struggled to make a living. Maurice worked in a factory and Sandra was a stay-at-home mom. Having tried and failed at multiple home-based businesses, Maurice and Sandra were hesitant at first about the Herbalife business opportunity. But they tried the products and got results that inspired their drive to success. Plus "Herbalife has allowed us to have close bonds with each of our children," says Sandra. The couple is confident about their future and their goal of helping others find a better way of life.*
