Expand Your Business by Tracking Daily Consumption

DHERBALIFE.

MONTHLY SUMMARY

By promoting daily consumption within your organization, you are not only paving their way to a healthy lifestyle, you are also making strides to achieve business success.

With this new amazing business tool, you can track your success, day by day, consumption by consumption, customer by customer,* and check easily how close you are to reaching your goals.

In the Progress Log, you can find several convenient tools like:

Monthly Summary Page

- Summarizes monthly consumptions, TVP and gross profit
- Easy and concise monthly overview

Total Income Report

- Track Wholesale Profit, Royalties, bonuses and TVP of your Nutrition Clubs on one form
- Easy-to-view monthly totals

Daily Attendance Sheet

- Track your new or returning members and their daily consumptions
- Record other information

Conveniently designed to support a 90-Day Plan, the Progress Log pack is sold in sets of 3!
