

It's the most sought after seduction system in the world, but ...

"You Can't Buy This Secret System Unless You Swear *Never To Reveal It To Anyone Else!*"

No. I'm Not Kidding.

But **only 375 insiders** will ever be exposed to the privately held Game techniques of the man acknowledged as the world's greatest pick up artist – Neil Strauss. Even Orlando Bloom, during a Rolling Stone interview, picked Neil's brain for hours about his techniques, confessing that Neil had experienced things with women he never had.

This is mega-hot material destined to set the seduction community on fire. It's guaranteed to piss off all the poseurs claiming to have the inside track on seduction techniques and boost the skill level of those who act.

Actually, It's so damn powerful, he's named it...

"The Annihilation Method"

Warning!

Well over 32,583 people have **begged and pleaded** for this intense mega-course, but only 375 copies of *the Annihilation Method* have been produced.

375 Out of 32,583... You do the math.

That means **less than 1%** of the people wanting this course will actually get their hands on it.

ONE PERCENT.

You see, these techniques are so powerful that even the cameraman who filmed them has become a master Pick Up Artist. But unfortunately, 99% of the people who want the 'tell-all' Annihilation Method will never see it.

(And I MEAN never... everyone who buys it has to sign an **Iron Clad Nondisclosure Agreement**)

And the chances are, by the time you get halfway through reading this letter, it will be completely sold out.

From: Neil Strauss (AKA "Style")

Dear Fellow Pickup Artist,

You are reading a letter that I never thought I would write.

However, the number of calls and emails from people desperate to purchase the *The Annihilation Method* set keeps growing and growing...

And with good reason.

The Annihilation Method has proven to be the most effective and most powerful collection of pick up

techniques ever to be produced.

I know lots of other people claim that, but here are the facts:

Within just 3 days of learning The Annihilation Method, five men (most of whom could barely talk to a girl) were running around town, making out with girls in clubs and pulling them back home!

And here's the kicker...

NONE of these guys had movie star good looks, fat bank accounts, or fame.

In fact, some were in their 40s, some were overweight, some were balding, some were short, and some were barely out of school.

And almost ALL of them believed it was impossible to walk up to a girl they didn't know and instantly create a powerful, magnetic attraction.

But after the first day, their concept of what was possible was SHATTERED!

They Came From All Walks Of Life...

When I decided to put on an EXCLUSIVE workshop to teach the Annihilation Method, I wanted a group of men who couldn't have been more different, just to PROVE to all the nay-sayers out there that you don't need anything special to attract a good woman.

And in the end, that's what happened...

OUTBACK - The Middle-Aged Professional Gambler From Las Vegas

Tall, with gray hair and an age-weathered face, Outback came to my Hollywood Hills home looking for one thing: A wife.

He'd gotten to the point in his life where he was looking to settle down. And with his warm southern drawl and caring eyes, you could tell he had a lot of love to share - he just didn't know how to do it.

After he learned the Annihilation Method, he went out and within DAYS found a great woman he got into a serious relationship with.

INDIANA - The Engineer From New York

Indiana came to my workshop with a dark cloud hanging over his head. He was an engineer by trade, and had a hard time relating to other people. And to top it off, though he looked good after having lost almost 150 lbs, he still saw himself as an ugly 300 lbs man.

I'm not going to lie. Indiana worried me the most going into the Annihilation Method Workshop. I thought, if I was going to fail, it would be with him.

That's why the next night, I was nearly knocked-off my feet with surprise when I saw him make out with a hot Asian girl in the club!!!

ZONE - The Mild-Mannered Reporter From Long Beach

Zone, like so many other men, had self-esteem issues. He spoke so quietly, you could barely hear him. He was balding and disheveled, and carried more than a little bitterness about his appearance. In fact, he reminded me of myself in the old days.

He was even a reporter. And, being a reporter, I had to spend the first 15 minutes of the workshop convincing him it wasn't a scam!

I actually had to bet him \$100 that by the time the Annihilation Method ran its course, he'd be a MACHINE when it came to picking up women.

Needless to say, I won that bet!

ROURKE - The Salesman From Chicago

Rourke came into the workshop with a great attitude, but he was still massively insecure about being his looks, height, and weight. He didn't think a short (we're talking 5'4"), pudgy, goofy guy could actually pick up women, but he was willing to give my teachings a try anyway.

And the first night we went out together to practice the Annihilation Method, he had the phone number of a gorgeous, intelligent woman in his hands within twenty minutes.

Now, his friends worship him as a GOD as he goes out, night after night, picking up drop-dead gorgeous women while his "better-looking" friends watch in amazement!

WISEGUY - The Student From Pittsburgh

Wiseguy was the young, good-looking kid who never really had problems with women, but wasn't happy with the results he was getting and he had a serious inner game problem holding him back. He didn't feel worthy. Nonetheless, like all over-achievers, he wanted MORE.

And boy, did he get it!

Wiseguy used the Annihilation Method to rip up the club scene during the workshop! And once he got back home, he instantly got not one, not two, but TEN girlfriends!

He's got so many girls, he barely has time to finish school!

Neil Strauss has spent the past two years turning himself into one of the best pickup artists in the world. He's gotten so good that he even teaches others. 'I can get any guy to go up to the most unapproachable, stunning girl and make her interested, make her laugh and make her love him,' he says.

With his shaved head, goatee and slender frame, he resembles an emaciated Howie Mandel. But the dude's got game -- a series of techniques he has adapted from a secretive community of seduction artists that can beguile and hook the hottest of women better than if he looked like Brad Pitt.

--Associated Press

These Teachings Literally CHANGED THEIR LIVES!

And They Can Do The Same For YOU...

As I progressed from AFC (average frustrated chump) to mPUA (master pick-up artist), I met a lot of guys who had been learning pickup forever but weren't getting any better.

So, after *The Game* came out, I decided to figure out EXACTLY what enabled me to become supposedly the best pickup artist in the world while other guys were still virgins, spinning their wheels. I wanted to bottle it up and use it to help other guys. So I researched all my notes, talked to every pickup artist I knew, interviewed nearly every woman I had been with. And that STILL wasn't enough...

In the last year, the lid on the seduction community's tactics have been blow WIDE OPEN. (Hell, they're even writing bad versions of our negs into mainstream T.V. shows these days...)

In short: *The girls are getting wise to our tricks!*

And the worst part is -- **I knew this would happen.**

Why? *Because the same stuff happened to me too--before the book even came out!!!!*

Every girl I met was on guard because they thought I'd run *GAME* on them. So I had to do something to fix things.

I went back to the drawing board...

It was SCARY.

I was like a mad scientist or something ...scribbling down pages of notes reinventing the game. My notebooks filled boxes and, soon, closets:

Then I sat down and went through these ideas with a fine-toothed comb, and started to develop an entirely **new** method of seduction that could easily be learned and implemented. I wanted other guys to experience what I had experienced -- in today's much tougher environment.

Part of me misses being part of the Game and sharing my secrets with people who want to get one leg up on the competition.

So, after devoting years to perfecting my game, I want to go out leaving a legacy for the future. That legacy is the Annihilation Method.

My Dilemma

Here's the problem I face: Frankly, I'm concerned The Annihilation Method might become too well known and get used without responsible guidelines.

That's why I spent a fortune of copy protection software that my friends in the entertainment business use to hunt down file sharers and bleed them dry.

...And that's why I almost never released it in the first place.

In The Wrong Hands, This Is Dangerous

The Annihilation Method has proven to be the most effective and most powerful collection of pick up techniques ever to be produced.

Period.

And when you even *mention* that you have knowledge like this powerful, people instantly break down your doors begging for a taste of it. I actually have the rock stars I used to idolize calling me for dating advice, saying, "I'd like to speak to Style, not Neil."

This can be you.

And what's more...

- It doesn't matter if you've ever attended a live training...
- It doesn't matter if you've never approached a woman in your life...
- It doesn't matter if you're a rank beginner, or have been struggling with your Game for decades...
- And... it doesn't matter if you still think I'm lying to you about how easy this is.

Nope. The **ONLY** thing that matters... is your desire to attract the most beautiful, intelligent, and passionate women in the world.

Just listen to what happened to Wiseguy after he learned the Annihilation Method:

"Man, I can't thank you enough. Your class has made such a huge difference in my life. I love my life, I love who I am, and I owe a lot of it directly to you.

I am sure you get these kinds of letters all the time, but I am also sure that they do not get old. I have to tell you that I had my doubts, but I have to say that you are 100% right. I use everything, and it all works.

It is really starting to come together for me. I even used the Pen 15 trick the other night and I swear it got me laid!

I don't really know how to thank you. Just suffice it to say that I am absolutely a believer in the Annihilation Method."

--Wiseguy, The Final Five

The fact is, this shit works. And it works fast.

Here's A Taste Of What You'll Get In The Annihilation Method...

I've done all the work for you.

I've spent two long years in the trenches doing the research to discover every secret pick up technique in existence.

If there was a rumor of a technique, even on the other side of the globe, I hunted it down. If there was a guy claiming to teach the art of seduction in some God-forsaken corner of the country, I found him. If there was a whisper of a secret anywhere, I tested it.

In my years in the seduction community, I've studied every single ebook, CD, video, course, and seminar I could find.

But I was never satisfied with what was given me.

The truth is, 99% of what you hear is either played-out or never really worked that well in the first place.

It wasn't until I was out in the field, testing and developing techniques, that I figured out how to TRULY make any women do what you want. (And yes, this is MUCH more detonating than anything you read in my books or online)

When I decided I wanted to release the Annihilation Method to a select few, I sat down to create a course

that was unlike anything you've ever seen.

First of all, this is NOT a downloadable course!

What you see in the picture at the top of this page is the real deal. It's shipped to you in a big, heavy box. You can hold it in your hands, smell it, and taste it (if that's your thing).

It will always be around for you if you want to refer to it. Whether you want to watch it on TV, listen to it in your car, or read it in bed at night, this is a full-blown COURSE... Hands down like NOTHING you will ever see again.

You'll get 8 High Quality DVDs...

I've always been disappointed with the quality of some of the other video courses out there. Most of them are just a static camera with a far-away shot of some guy standing on stage droning on and on...

Not here.

I got an award-winning production crew to come in and film the seminar. These DVDs will rival anything you see on TV.

We also filmed the DVDs at my house in the Hollywood Hills and clubs around Hollywood. You won't be stuck in some boring seminar room for all 8 DVDs.

Not only that, but we captured REAL LIVE footage of the Final Five at work in the field, with my running commentary about their progress.

That's correct.

You will actually see the Annihilation Method used on women in clubs for the first time in history.

"Style's Annihilation Seminar is coming on DVD - I was there and it was insane - they brought two girls back from the club and all of them took turned gaming them in the living room."

- Mystery

Finally, we had some amazing guests speak at the seminar, including the world-famous Mystery, Hypnotica, and Steve P. (You remember, the guy who has women pay him for sex?)

But more importantly, the dynamic information contained on these DVDs cannot be found ANYWHERE else!

- **DVD 1: The Forbidden L.A.S. V.E.G.A.S. Technique Revealed!** This DVD reveals my unique new system for creating a powerful reality that gets you exactly what you want in life, love, and career. It's the foundation upon which everything else in the Annihilation Method is built!
- **DVD 2: Set Penetration - Deploying Stealth Openers.** Ever wonder how exactly to enter into

any set or group and instantly command attention, all without setting off alarm bells? In this DVD I go over my covert tactics that will help you to fly under the radar!

- **DVD 3: Invisible Openers Caught On Tape!** Every loser is going around in clubs nowadays using the same material over and over again. The girls are catching on! But now I've developed completely NEW ways of opening sets that no one has ever heard of before. What's more, the woman will NEVER know you're using material on her - even if she's read *The Game*!
- **DVD 4: Instant Attraction - High Octane Value Building.** We all know that social proof and demonstrating higher value is essential in creating powerful attraction FAST. In this DVD, I take actual girls I picked up the NIGHT BEFORE and demonstrate Value Building tactics on them LIVE! You actually get to see their reactions as the Annihilation Method takes effect!
- **DVD 5: Behind The Lines - Covert In Club Video Of PUAs In Action!** If you've ever wondered how these tactics are actually delivered in field, wonder no longer. In this DVD, we follow the Final Five into the clubs and show them using the Annihilation Method to pick up women (and what's more, you get my "director's commentary" on this DVD as I comment on what they're doing right, and what they're doing wrong!).
- **DVD 6: Instant Inner Game - How To Be A Master Of Your Mind, And Hers!** In this DVD, we have special guests Hypnotica (also known as Rasputin) and Steve P., who share some of their powerful belief altering techniques for building massively powerful inner game quickly. These are the guys who did the "inner game change work" on me in the book, and you'll see them bring about instant transformations within the Final Five.

Plus, they'll reveal the "Iron Man" psychological trigger system that instantly infuses your very core with unshakable confidence.

- **DVD 7: Mystery And Style - Advanced Techniques For Making HER Come To YOU.** Mystery, the man who got me started on my path to mastery, stops in to share some of his most powerful techniques. Mystery is always thinking of new and exciting ideas to attract women, and in this DVD, he shares his latest and most effective tactics. The sparks continue to fly when I join Mystery and we uncover the hard-wired primal instincts women have (and that you can tap into) that makes some men impossible to resist.
- **DVD 8: Sexual Mastery - Hypnotica And Steve P. Reveal Sexual Techniques She'll Tell Her Friends About!** In the final DVD of the series, Steve P., Hypnotica, and I get together and reveal some of our most advanced sexual tactics.

This DVD also contains explicit instructions on how to manage multiple women, how to create a "harem" environment, and how to *get women to sarge other women for you*.

Remember - Steve P. is the guy who gets women to PAY HIM for sex ...so you're hearing it all from the real deal.

And that's just for starters. In addition to the DVDs, you'll also get:

7 Groundbreaking CDs Of Never-Before-Heard Material...

In addition to the videos, I wanted to do a few special interviews that cover territory never before covered in a seduction course.

It seems like everywhere I go, people have questions about how to meet women.

So I poured through years of notes and a mountain of letters and email to find the most pressing issues guys in the field are facing right now.

Then I sat down and answered each and every one of them ...and recorded it all for you.

- **CD #1: Breaking Through Your Sticking Points** - In this special CD, I go through the most common (and crippling) problems men face not only in dating, but in their inner game as well. You get to hear me candidly work through one sticking point after another (and chances are, most of them relate directly to YOU).
- **CD #2: In The Trenches** - In this CD, you'll get to hear me break down real, live field reports from students step by step. You'll see common situations many men run into, and how to do the right things and avoid the wrong moves.

Listening to this could be the "tipping point" that leads you from having frustrating and boring nights of the same old routine ...to having exciting new adventures whenever you want.

- **From Stumble To Seduction** - This is where I bring things to the next level. I'll give you a crash course in dealing with the toughest problems guys face -- including how to get out of the dreaded friend's zone and damage control techniques to win any girl back, even after you think you've "blown it."

How? Because I walk you through my own personal history ...and show you the roadblocks I faced and give you a map to easily get around them.

Plus, you get the shortcuts I found that will put you at the level where women come up and approach *you* ...instead of the other way around.

As if that wasn't enough, I've gone ahead and done something NO OTHER pick-up guru has ever done.

I've actually gone back and interviewed **EX-GIRLFRIENDS** about how I picked them up ...and what worked on them!

Seriously, you get to hear - straight from the source - what was going through their mind as I was actually running game on them!!!

In this three-CD set, here's what you learn:

- **Online Personals - Your Endless Supply Of Beautiful Women.** An ex-girlfriend I met online spills her guts and tells you various internet tactics I used to get her wanting to sleep with me before we even met! And the best part is, these tactics will work on ANY girl online.
- **EXPOSED - A Woman Reveals How To Make Threesomes Happen!** This was probably my favorite interview. I was actually nervous calling this girl up and asking her about this topic. But to my surprise, she was TOTALLY open about it and shared with me exactly what I did right to get her into bed with another woman for the first time in her life. When you hear this fascinating interview, you'll never be nervous about going for a threesome again. **This is proof that they want it too ...** and what's more, you'll hear exactly what works ...straight from a woman!
- **From Her Perspective - Inside Virgin Territory.** In this interview, the girl I'm talking to was a virgin with no thoughts of having sex before marriage... until I came along. In this eye-opening expose, we talk about the tactics you can use to win over the hardest cases.

Plus, you'll discover how to do it with integrity.

And last, but certainly not least, Mystery and I get on the phone with each other to seriously talk about our own thoughts and feelings on the art and science of pick-up.

- **Confessions Of The World's Greatest PUAs - Mystery & Style.** In this interview, you can hear Mystery and I go head-to-head as we debate, share tips and ideas, and develop brand new tactics right before your ears! We've been called the dream team, and now you'll get to hear why!

You Also Get Damn Near ONE THOUSAND PAGES Of Seduction Blueprints, Workbooks, And Archives

In addition to all the transcripts of the audio CDs, you'll receive my never-before seen Mystery's Lounge Archives!

I took the best posts of mine from the super-elite Mystery's Lounge message board and compiled them into a series of "PUA Encyclopedias" dealing with five very specific issues...

- **Volume 1: The Origin Of Style - How To Transform From Chump To Champ In No Time!** If you've ever felt you're a "loser" who needs to turn his life around, you can see how I did and apply my same techniques to YOUR life.
- **Volume 2: Closes - Creating A Physical Attraction.** Ever reach the point where you know you should try to "close the deal" but don't know how? I was there for a long time, but I figured out how to get past it, and I'll share with you all my best secrets for getting past the "point of no return."
- **Volume 3: Sticking Points - How To Get Past Any Obstacle In The Pickup.** We all run into problems from time to time, but it's important to know how to get through them. In this volume, you'll read personal field reports where I show you how I brought myself and other PUAs through their most daunting sticking points!
- **Volume 4: Jealously Guarded Inner Game Techniques.** Why are they jealously guarded you ask? Because once you know these, you'll be the Alpha Male in any situation. I'll show you how to deal with the problems that are really holding you back from life.
- **Volume 5: The Next Level - How To Get Models And Threesomes, Guaranteed Lines And Routines For Advanced Situations.** If you thought some of the stories in The Game were wild, wait until you read these, and how you can use them to attract the kind of women your friends will be green with envy over!

In addition to that, you'll get these two priceless books that NOBODY has ever seen before.

- **The Seduction Blueprint.** The problem with most seduction systems is that they don't really help you apply the material. Not true with the Annihilation Method. I designed a blueprint you can use to fast-track the entire process and master the Annihilation Method *immediately!*
- **CONFIDENTIAL - Instant Pickup Supply.** Ever run out of material out in the field? No more! This special book is so small, you can easily fit it in your pocket and use it as reference IN THE FIELD. It is chock-full of the best openers, routines, and DHVs there are from the Annihilation Method, so you'll never be at a loss for words in the field again!

That's right...

It took 8 DVD's 7 AUDIO CD's and damn near ONE THOUSAND PAGES of books to completely explain every detail of the Annihilation Method.

And as if all that wasn't enough to turn even the lamest AFC into a respected PUA,

Everyone Who Gets A Copy Of The Annihilation Method Will Be Invited To Attend A SPECIAL Live Apprenticeship Taught By ME!

When you get the Annihilation Method, you're not just getting 8 DVDs, 7 CDs, and over 1,000 pages of workbooks, manuals and blueprints...

As a special bonus, you're also getting a FREE TICKET to an exclusive closed-door workshop where ***I'll tweak your game for you.***

Again - it's ONLY for people who have the Annihilation Method. So we'll be keeping everything "in the family."

We'll work on delivery, openers, end game, calibration, sticking points, mind reading, inner game, the L. A.S. V.E.G.A.S. system, and your own personal style.

Each person will get individual attention, a physical makeover, and techniques tailored just for them. I'll answer everyone's questions so they can get to the next level.

This way, **you cannot lose.** You'll have a completely unfair advantage over all the other Men, be they PUAs, AFCs, or AMOGS.

And this will NOT be recorded or video taped.

Simply put:

IT IS ONLY FOR THE PEOPLE WHO OBTAIN THE ANNIHILATION METHOD.

Since the original workshop back in December, not a week goes by without a slew of emails hitting me and asking when I am going to release the Annihilation Method. (Reporters were even hounding me about this during my book tour!) And I've been struggling with it. My original plan was to leave just five guys in different cities to carry on the legacy. And, quite frankly, I *deliberately* kept this material off the market.

Until now.

Initially, I was taping the workshop just to give the five guys who were attending the workshop so they had an instant reference guide to help them on their journey to mastery.

But then something funny started to happen:

Everytime someone saw the footage -- whether it was a cameraman, an editor, or even someone just walking past the studio -- they instantly got sucked into the material. And, just from being *around* it, their lives changed. It was like the tapes had some kind of magical power.

"Oh my gosh. I got a number the second night too, and honestly, I'm not one that goes out and gets numbers.

I mean, I wasn't there for that reason. That was what was kind of interesting, is that we were there to shoot and to work for you and we ended up getting numbers and meeting women.

(My crew and I) actually all were involved in relationships at the time, so I didn't really follow up with the girls, but it's nice to know I could use this stuff if I wanted."

"Jack" - the video guy we hired to shoot the Annihilation Method dropped the camera in the middle of the shooting when he "accidentally" began using these techniques and the women came on to him.

It was then I realized I had something special, and knew that a lot of men could really benefit from this information.

But I didn't want to give it to just ANYONE.

So here's the deal...

Only 375 Copies Of The Annihilation Method Will Ever Be Released!

That means exactly what it says. I am so torn about the release of this set, I am only going to release 375 copies... *ever*.

Why?

One reason is because I don't want to be in the seduction business. I already have a job I'm happy with.

But, more than that, I am afraid that if too many people get a hold of the Annihilation Method, it will become too well known and it won't be as effective – and I can't take that chance.

And that's why each buyer will have to sign an **IRON CLAD Non Disclosure Agreement** drawn up by my insanely expensive lawyers.

That's also why I spent yet more time and effort individually marking each CD and DVD with a different, identifying copy-protection code, using a system I got from friends with serious experience busting pirates.

Everybody wants this system, but only a select few will ever have it.

Just by **watching** these amazing videos... you *will instantly absorb* tips that will turbocharge your seduction skills (without affecting anything else) with more PURE POWER than you ever believe you could have.

You'll also learn the simple secrets of never losing out on the woman of your dreams again. **You'll never again feel the pain of watching another guy leave with your girl in his arms.**

You can "install" these skills into your life almost overnight. Just watch these astonishing DVDs, play the CDs, or skim through the blueprints ... and you'll be ready for action.

"Before I met Neil Strauss, I was skeptical I could learn much from the supposed greatest pickup artist in the world. I thought his book, "The Game: Penetrating the Secret Society of Pickup Artists," and the lessons in it were a load of crap. I was wrong. Strauss knows his stuff; his book is dead-on. Strauss, who resembles Moby crossed with Michael Stipe, doesn't look like much of a stud. Yet the Rolling Stone writer has picked up Playboy models, porn stars--even Britney Spears.

Trust me, you shouldn't let your girlfriend within 50 feet of these guys. I was sold. But I wondered if it would work for an ordinary dude like myself. So I tested some of the routines I read in "The Game." Recently when I was out with my buddy Kent, I approached a girl and used the routine that Strauss famously used to get Spears' number, which he describes step by step in his book..My target offered up her phone number without being asked."

WARNING: There's Also A LEGAL Reason I Can Only Release 375 Copies!

The Annihilation Method Course is extremely unique because of the live demonstrations on women.

This isn't some bullshit gimmick where a guy pulls one of his female friends up on stage and "demonstrates" on her.

You see the Annihilation Method in action LIVE ...without a net ...with total strangers.

And it was a royal pain getting all of the women featured in these videos to give consent for us to release this course.

Trust me, that was NO easy task.

So when I got them to sign off on letting me have them in the DVDs, they only agreed to do it if I never released any more copies after this first batch of 375 are sold out.

I am contractually bound to never sell this again.

When the 375th copy is sold, it goes off the market... *forever*.

If you are one of the tens of thousands of people who have read "The Game," you know that one thing is true – I mean what I say.

So trust me, I'm as serious as a heart attack. You will not see this program after the 375 copies have been sold out.

NOTICE: This Program Is Being Sold Under The Following Conditions:

1. **You must not be a member of a professional pick up association who will turn around and release these methods as your own. If you do – your lawyers will scream in pain when my lawyers nail your thieving head to the wall.**
2. You may not resell the Annihilation Method – *ever*. If you don't think these techniques work, I'll buy back your course and sell them to one of the guys on the waiting list. They'll laugh at your decision when they begin to live like rock stars.
3. **You can not show these videos in a group – even of your best friends. I mean think about it – do you really want them to be better than you when you go out sarging?**
4. This program comes with a **90 day guarantee**. Look, you know my reputation. I do not release these materials lightly. If "The Game" gave you a glimpse into the world of what is possible, "The Annihilation Method" will vault you to the top.
5. Once you're convinced this set is the missing piece you've been searching for, **you'll be invited to meet me and your fellow Annihilation Method brothers for a weekend where I'll make sure you are using and internalizing this stuff.**

No one but the 375 members of "The Annihilation Method" will be allowed. There won't be any recordings made or transcripts – it's just us perfecting your game.

6. *This is not for people who are already happy with their game.* This is only for guys who want to take their game to the next level...to a level where there is no competition – just a wide open field of quality women waiting for you.

Bottom line - no one gets this program unless he agrees to these conditions.

The Only Other People In The World To Learn This Paid \$7,000 Each.

The question is, are you prepared to pay \$7,000 for this course?

You should be.

Not only have many guys ALREADY paid that much for *half* of this information (and many offered 10 times that much), but you simply can't put a price on these life changing methods.

Think about this:

Who was the last girl you got a phone number from? (If any.)

- Was she out of your league?
- Was she your idea of a perfect "10"?
- Was she the "girl of your dreams"?

Probably not.

And you know what? **That is OK.**

99.9% of the people in this world are forced to "settle." So don't feel too bad (Hell, we've all been there.)

But let me ask you this:

What if you could magically hold the key to attracting your dream woman ...every time you left the house?

How much would that be worth to **you**? What if you could be irresistible to women ...regardless of your looks or bank account?

Exactly... most guys would say you simply can't put a price on that. Because knowledge like this is 20x more important than the stupid shit you buy on a daily basis.

Actually ...strike that.

Knowledge this powerful is more important than anything else you will have in your lifetime.

Why?

Because think about it:

When you're 83 years old and sitting on the front porch in a rocking chair reflecting on your entire life, *what is going to be more important to you?*

The 8,000 movies you saw ALONE every other Friday night? The countless dollars you blew on trendy lattes at Starbucks?

OR...

The fact you ended up spending over half your life with the most heart-stopping, jaw-dropping woman you have *ever seen*.

That whenever you walked into a room, guys wished they were you because of the amazing girl on your

arm.

That you had experienced lived out sexual fantasies 99% of the male population can't even fathom.

If that isn't worth \$7,000, than I honestly don't know what is.

Well guess what...

You Don't Have To Spend \$7,000!

You can own this entire 8 DVD, 7 CD, 1,000 page Course for only \$3,779.

That's it. No "hidden charges" or outrageous shipping fees.

Hell, I've even made up a simple payment plan of 4 installments of \$944.75 to make it even easier. (So you don't have to cough up all of the price at once.)

AND you get to attend the 'one time only' Annihilation Method Seminar that I will absolutely NEVER reveal again.

The reason I'm pricing it high is because the Final Five paid \$7,000 each to learn this. And they said they'd be pretty pissed off if everyone else got these DVDs for chump change.

But you're getting the DVDs, CDs, cheat sheet, and workbooks -- AND I'm giving you a live workshop for free -- for almost HALF of what they paid.

I think you're getting the better deal here.

So when you meet the Final Five (who I've invited to the apprenticeship), be sure to thank them for being so cool about this.

Think about this:

Over the span of a year, this mega-course is only going to cost you

\$10.34 a day.

That's less than a "Happy Meal" and a movie.

So for less than the cost of a movie ticket and some junk food, you can instantly unlock the secrets that will make ANY women instantly fall for you.

This took over two solid years to create, and you will NEVER find these secrets revealed anywhere else.

And now you have the chance to buy it for about 10 bucks a day?!

You can't even get into a decent club for that price anymore.

But listen. I want to make absolutely sure this is the right thing for you.

That's why...

*"Before the course I had never dated multiple women at the same time. I am currently in various stages of seeing 6 different girls! It is awesome. I never have a dull moment. I have a stretch of 11 out of 12 nights out in a row! I never would have been able to " --**Wiseguy**, The Final Five*
